Mr. JOHN DIERKING,
 CAPE GIRARDEAU, Mo., U.S.A.

Dear Mr. DIERKING:-

I received yesterday your card of the 9th, and tho' we were very pleased to hear from you, we regretted very much to learn that Mrs. DIERKING had been laid up in the hospital with the flu. We trust, however, that in the meantime she has fully recovered and that you are both at home again.

I am writing you on one of the last days from this office, as to-morrow this office officialy closes, and I have been transferred to BUCAREST, as Mr. DALLY did not stick it out there and came back end of last year after a stay of 6 months. This transfer came as a great surprise and tho' from a business standpoint, Great-Roumania is a large field for our trade, living conditions down there are anything but pleasant. However, I shall do my best to stick it out there. Also BULGARIA is worked from the BUCAREST Office.

As everywhere, conditions are also on the Balcans not very brilliant, but when the revival comes, Great-Roumania is predestinated to be for us perhaps the best territory in the Central Division.

The McCORMICK line will be handled from here by the "ARA", a Subsidiary Company of the Oesterreichische Landwirte-stelle, who is also taking over our office and warehouse and also, at very good salaries, Mr. STURM, Mr. KALTENECKER, Mr. LOHSE, and our office boy FRANK, whereas Mr. SIMON joins our new DEERING jobbers, the "GARBE", which again is a Subsidiary Company of the BRITISH-MAGYAR BANK, and which was formerly the OESTERREICHISCH-UNGARISCHE MASCHINEN-HANDELSGESELLSCHAFT, whose Director SZASZ, I think, is known to you. Our English stenographer, Miss BARON, joins the VACUUM OIL COMPANY, also at a very good salary. So we are all placed, except Mr. TOMASEK, who probably will be transferred to CZECHO-SLOVAKIA.

Mr. John Dierking, Cape Girardeau.

Otherwise there is very little to say.

I have been sending you a weekly bunch of papers where you will have read of the miserable conditions that exist here.

Mr. STEFEK, who is working with Mr. CLARK, WARSAW, will probably emigrate to ALHAMBRA, LOS ANGELES, to join his brother in law Mr. FAES there.

Kindly excuse if I do not write you much more to-day, as my time is very limited, but I would be very pleased if you would write me a few lines to the BUCAREST Office:-

INTERNATIONAL HARVESTER CORPORATION,
12, Boulevardul Carol.

With all good wishes from both of us to you and Mrs. DIERKING, and hoping to see you one fine day, I remain

Very sincerely yours,
