Mr. John Dierking,
St. Clair Mo.

U.S.A.

Dear Sir,

We have yesterday received advice from Chicago (their Debit Memo No.179) that they have paid you the amount of \$ 115.- representing your September salary.

There has been some mix up in this deal inasmuch as you are aware that we have already sent you a draft on September 24th covering your September salary.

Under these circumstances of course the last Chicago payment covers your October salary. Referring now to our letter of October 4th, in order to have the account on our books straightened out, we beg to say that there are still the following items due us:

Income Tax	to October 31st	K 156.09
Krankenkasse	" " 31st	<u>K 8.28</u>
		K 164.37

Please let us have your check at your earliest to cover this balance. We would also ask you to be kind enough and return the enclosed voucher for K 575.- duly signed, and remain,

Yours truly,

INTERNATIONAL HARVESTER COMPANY, Gesellschaft m. B. H.
